SKILLS

- **Languages:** Python, C++, JavaScript, C
- **Technologies:** HTML, CSS, TypeScript, Node.js, React
- **Databases/Tools:** MySQL, MongoDB, Git, GitHub, Figma, Canva, Vercel, Cloudinary
- **Soft Skills:** Problem solving, Logical Thinking, Adaptability, Team collaboration, Time management

PROJECTS

FoodShare AI GitHub	March 2026
• Developed an AI-powered food-sharing platform that helps connect surplus food providers with people or organizations in need. • Implemented intelligent features to improve food matching, distribution, and reduce food wastage. • Built a responsive and user-friendly web application with modern frontend and backend technologies. • Integrated AI-based functionality to provide smarter recommendations and improve the efficiency of food distribution. • Focused on creating a scalable platform that promotes sustainability and community support.	

Tech Stack: React.js, Node.js, Express.js, MongoDB, AI/ML APIs

TRAINING

Lovely Professional University Certificate	Jun 2026 - Jul 2026
---	---------------------

Community Development Project

Community Development Project | Environmental Awareness & Community Outreach

- Conducted an environmental awareness program at a school, educating students about environmental protection, sustainability, and responsible everyday practices.
- Delivered interactive awareness sessions on topics including pollution, waste management, conservation of natural resources, and the importance of protecting the environment.
- Engaged students through interactive discussions and real-life examples, promoting environmental awareness, sustainability, and responsible community participation.
- Educated 60+ students on Reduce, Reuse, Recycle, waste segregation, and resource conservation, using real-life water-usage examples (liters consumed/wasted in daily activities) to demonstrate the impact of water wastage.

CERTIFICATES

• Python Programming Language Certificate	Jul 2025
• C++ Programming Language Certificate	Jan 2026
• C Programming Language Certificate	May 2026

EDUCATION

Lovely Professional University	Phagwara, Punjab
• <i>Bachelor of Technology - Computer Science and Engineering;</i>	<i>Aug 2025 - Present</i>
• Narayana Junior College	Hyderabad
<i>Higher Secondary Education; Percentage: 89%</i>	<i>Aug 2023 - Mar 2025</i>
